## 3M Brand Dust/Mist Respirator

NIOSH/MSHA approved for dusts and mists having a PEL (Permissible Exposure Limit) not less than 0.05 mg/m3 including lead, free silica, fiberglass and many others. Lightweight and comfortable for increased worker acceptance during grinding and sanding operations. Not for use when concentration levels are greater than 10X PEL

SKU NO.	MFG. NO.
510455	8560

## 3M Brand 8500 Comfort Mask

The 8500 is to be used for comfort only. It offers relief from the irritating effects of common nuisance dusts, such as pollen and limestone.

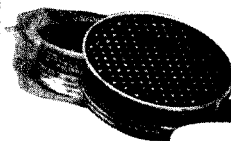

The 8500 is not a respirator, and it is **not government certified**. Do not use for protection against any substance above the permissible exposure level, or in the presence of asbestos, silica, grain dust, spray paints or any other substance that may be harmful to your health. If you are around harmful substances, use the proper government certified respirator.

**Warning: Do not use for lung protection. Misuse may result in sickness or death.**
