AF100-2VM

**Series AF100**

SKU NO.	No.	Description
703540	AF100M	Magnetic Base, V-Grooved Side, 2-3/4" Diameter Dial.
703519	AF100-2VM	Magnetic Base, Plumb and Level Vial, V-Grooved Side, 2-3/4" Diameter Dial.

**Angle Finder Attachment**

Only Dasco Pro offers this unique angle finder attachment. Attaches to standard aluminum levels allowing direct reading of angles instantly and accurately - from 0° to 90° in any quadrant. Angle and grade chart on back converts angles to pitch per inch and pitch per foot.

SKU NO.	No.	Description	Std. Pack
703537	AF30	1-3/4"	ea.

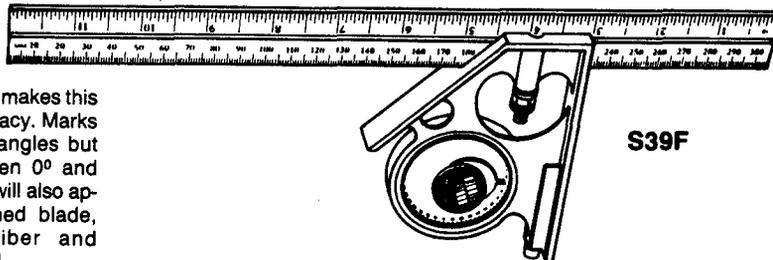

**Series AF200**

SKU NO.	No.	Description
703522	AF200VM	Magnetic Base, 1 Level Vial, 2-3/4" Diameter Dial.

**Angle Finders are Not Affected by Magnetic Fields, Heat, or Cold**

**Mitre Square with Angle Finder**

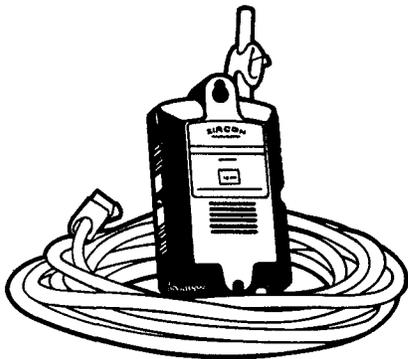

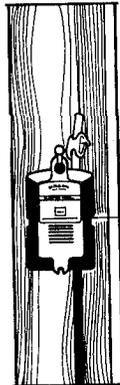

The built-in angle finder makes this a superior tool for accuracy. Marks not only 45° and 90° angles but also any angle between 0° and 360°. The professional will also appreciate the 12" etched blade, hardened steel scriber and movable die cast head.

**ELECTRA LEVEL™**

Uses 9-Volt Battery (Not Included) Model No. 62010

**ELECTRONIC WATER LEVEL  
 One-Man Operation--Fast Set-Up**

- The only leveling device capable of "blind" leveling--even around corners!
- Buzzer sounds as level is found.
- Patented technology--utilizes the basic principle of water leveling.
- Ideal for erecting fences, building decks, sloping driveways, drainage plumbing, suspended ceilings, landscaping and much more!
- Includes 25-Ft. hose.

SKU NO. 705597

**MAGNETIC STUDFINDER**

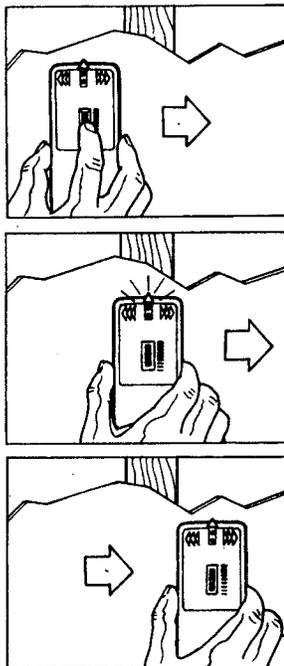

**STANLEY**

Locates wall studs easily. Magnet is attracted to steel nails & holding drywall to studding grooved base for marking stud location.

SKU NO.	Prod. Id./ Cat. No.	Size In.
700337	47-400	1 3/8 x 1 3/8 x 1 1/4

**ZIRCON**

A higher form of tools.

**STUDSENSOR™**

Fully automatic — Self calibrating

**A STUD FINDER THAT FINDS STUDS-NOT NAILS!  
 NON-MAGNETIC TOOL MEASURES WALL DENSITY**

- Patented Technology Finds Studs First Time — Everytime!
- Locates Exact Center of Studs and Joists
- Works On Most Wall Coverings:
  - Dry Wall
  - Plaster
  - Wood
  - Acoustic Ceilings
  - Other Laminates
- Red LED lights when stud edge is located
- Eliminates guesswork — no more extra holes in walls!
- Made in U.S.A.

Uses 9-Volt Battery (not included)

**SS9434 Studsensor**

Calibrates automatically to wall density. LED display only.

**QUICK FILL CHALK LINE REEL**  
 100 ft. Spun Polyester Line

FB-2

Chalk line reel is made of light weight space age cyclocac®. Line is made of spun polyester which has the strength of nylon and the holding power of cotton. Filling is a breeze. Simply insert spout and squeeze the bottle. Pull spout out and rubber grommet self seals.

SKU NO.	Mfr. No.	Product
703175	FB-2	Chalk Box

**QUICK RETURN CHALK LINE REEL**

Rewinds 3½ Times Faster  
 100 ft. Spun Polyester Line

GB-1

Keson chalk line reel is made of space age cyclocac®. Simply disengage gear drive with pressure on the handle and it's free wheeling. Release the pressure and it locks in place. Flip handle over and line rewinds 3½ times faster than conventional chalk line reels. It's a real time saver! Line is made of spun polyester which has the strength of nylon and the holding power of cotton. Filling is a breeze with the quick fill rubber grommet. Simply insert spout and squeeze the bottle! Pull spout out and grommet self seals.

## 2-in-1 Hand Riveter

2

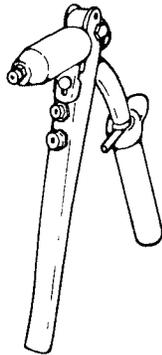

**SHORT "RATCHET ACTION" POWER STROKE**

Bolt in lower hole for hard pulling rivets in several easy pulls

**LONG STROKE**  
 Bolt in upper hole for easy pulling rivets in one pull

One hand operation with normal squeezing action provides enough pulling power to set all popular size rivets (see spec. columns below). 2-in-1 adjustment features a single long stroke for most hand riveting applications and a short "ratchet action" power stroke for setting larger diameter rivets. Outside jaw-grip adjustment wheel opens and closes jaws with fingertip ease to fit any size mandrel and to obtain maximum stroke efficiency. Professional slim nose allows 2-in-1 to go where other hand riveters cannot. Ideal for reaching into corners and recessed areas. Three nosepieces 1/8, 5/32 and 3/16" included with tool. Nosepieces are stored in handle. Heavy duty all steel construction insures long life and minimum wear. Polished finish, nickel-chrome plated. Red vinyl cushion grip and hand stop.

SKU No.	Catalog Number	Capacity 3/32" rivet diameter thru-	Net Weight	Length
850120	2-in-1	3/16" w/steel mandrel 5/32" w/stainless steel mandrel	1 lb. 4 oz.	8"

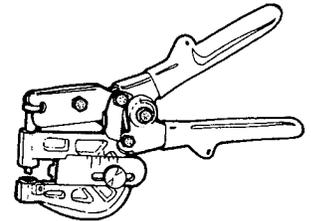

## 1/8" - 3/16" Hole Punch

Adjusts from 1/4" to 1-1/8" Depths

Does the work of more expensive bulkier punches faster and easier. Work overhead to pre-punch rivet holes in suspended ceiling grids or use in any edge application for making holes in window extrusions, metal duct-work or sheet stock. Compound leverage increases one hand mechanical advantage 8 to 1. Spring return handles allow quick set-up for repetitive applications. Stop gauge permits adjustments from 1/4" to 1-1/8" increments. Punch and die are easily replaceable or changed from standard 1/8" hole size to 3/16". Punch and dies

Compound leverage design

Red vinyl cushion grips with handle stops.

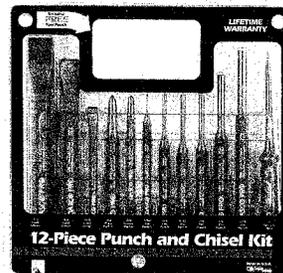

Maximum Capacity (3 layers) 22 gauge

Easy interchangeable 1/8" and 3/16" punch and die.

SKU NO. 805639  
 MFG NO. HP-18K

## 12-Piece Punch and Chisel Kit

SKU NO. 653246  
 MFG NO. 88

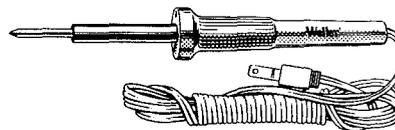

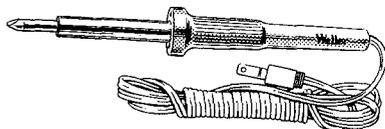

The most popular punches and chisels. The cold chisels features our exclusive Targethead design to reduce spalling and mushrooming

## 2 PC Pencil Flame Torch Kit

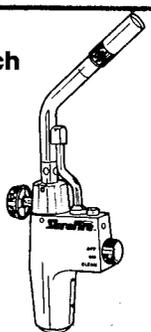

SKU NO. MFG NO.  
 718687 MM100

## Surefire

### SELF—Igniting Torch

A safe durable product for the end user. Automatic shut-off stays-cool burn tube. Adjustable flame works anytime, manual

SKU NO. Mfg No.  
 700004 T-400

## Turner® 14.1 oz. Propane Fuel Cylinder

MM175-65

- Fits standard propane torches, lanterns, stoves, etc.
- Disposable steel cylinder

SKU NO. 704285

## High temperature brazing fuel cylinder

- Produces flame temperatures up to 600°F hotter than with propane fuel
- 14.1 oz/400 g propylene cylinder
- Ideal for soft soldering, silver soldering and brazing
- Consistent high temperature burning to get job done quickly and let you tackle high temperature heating job
- Propylene burns at virtually the same temperature as MAP gas and it performs much better in cold weather
- May be used with all torches that burn MAP gas and many that use propane
- Disposable steel cylinder

SKU NO. 285455

## Turner® 7 piece Propane Torch MM99-L5

- Ideal kit for the Handyman
- Includes standard pencil point burner, 14.1 oz. propane fuel cylinder, brush flame tip, chisel point soldering tip, flame spreader tip, sparklighter and operating instructions.
- Packed in rugged chest

SKU NO. 704294

## Turner® 2 piece Torch Kit MM555-65

- For all general purpose work
- Standard pencil point burner with disposable 14.1 oz. propane fuel cylinder
- Complete with instructions

SKU NO. 704291

## Turner® Disposable Oxygen Cylinder MM50-65

- 1.4 oz. of Oxygen
- For use with D.I.Y. oxy/propane brazing, welding and cutting torches

SKU NO. 704324

## Turner® Quick Fire™ Self-igniting Propane Torch

MM280-65

- Easy to start, just press button.
- No matches or sparklighters needed.
- High energy flame designed to heat work quickly.
- Burner can be rotated 360° for comfortable working angle.
- High performance valve gives more heat.
- Top quality made in USA.

SKU NO. 290486

## Quick Fire™ self-igniting regulated torch.

For use with propane/high temperature brazing fuel

- Professional quality
- Ideal for brazing, soldering, thawing, etc.
- Angled swivel tube to reach difficult areas
- Self-igniting Quick Fire™ piezo ignitor
- Easy on/easy off valve
- Operates at any angle
- High energy flame to get the job done quickly
- Adjustable pressure regulator for a consistent flame under all conditions
- Kit is presented in attractive, informative, full color box

SKU NO. 202512

## Turner® Portable Torch Outfit MMW5000-65

- Combines propane with compressed oxygen to handle full range of torch jobs.
- Contains torch with dual control regulator, 14.1 oz. propane and 1.4 oz. oxygen cylinders.
- Braze rods, protective glasses, sparklighter and two welding tips

SKU NO. 450536

## 5-Blade Crimper MAKES A DOUBLE CRIMP

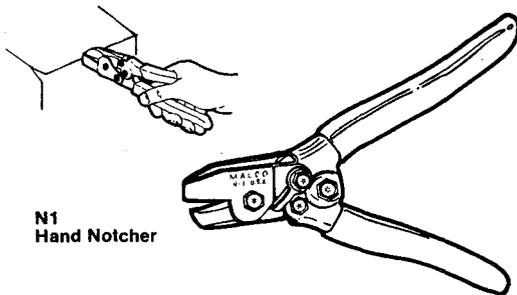

C1  
 Hand Crimper

For joining identical size sheet metal pipe and duct, or aluminum corrugated downspout, at the job site. Powerful compound leverage design makes hand crimping fast and easy. All steel construction with durable nickel plate finish. Red vinyl cushion grips with handle stops offer added comfort and ease of operation

SKU Number	Catalog Number	Throat Depth	Length	Net Weight
850100	C1	1-1/4"	9"	1 lb.

## Hand Notcher

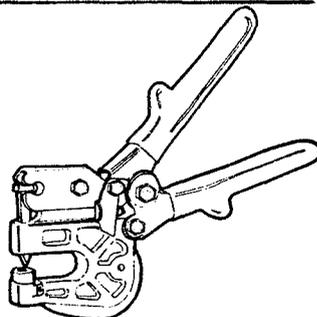

N1  
 Hand Notcher

Fast and easy cutting. Notcher makes a clean 30° "V" shaped cut in sheet metal. 13/16" maximum throat depth. Upper cutting jaw is drop forged high impact alloy steel. Hook design of cutting jaw facilitates notching corners or take-off tabs to desired depth without slipping. Nickel plate and black oxide finish. Blue grips.

SKU Number	Catalog Number	Throat Depth	Cutting Angle	Length	Net Weight
850110	N1	13/16"	30°	8"	1 lb.

## Punch Lock Stud Crimper

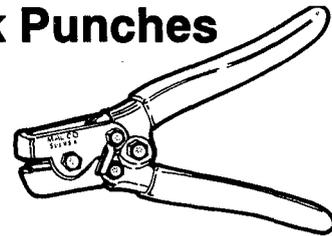

**SECURES ANY WIDTH STUD AND RUNNER WITHOUT SCREWS OR OTHER FASTENERS.**

Compound leverage increases mechanical advantage nearly 7 to 1. Simply squeeze handles together with one hand while holding stud in place. A unique punch and die shape creates a rectangular crimp, bending over thicknesses of channel and stud at the same time to form a sturdy bond.

SKU NO.	Catalog Number	Description	Throat Depth	Capacity (Sheet Metal)
805636	PL1	Punch Lock/ Stud Crimper	1-1/2"	Max. (2) layers 22 gauge.

## Snap Lock Punches

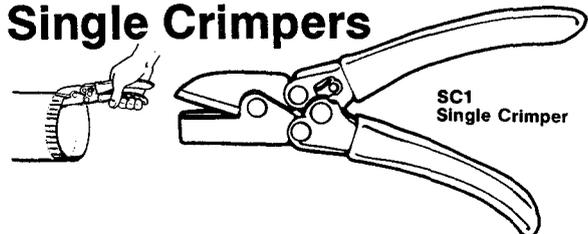

SL1  
 Snap Lock Punch

Punch impression spaced 3/8" from edge of metal. Heavy forged cutting jaw. Nickel plate and black oxide finish. Green grips.

SKU Number	Catalog Number	Throat Depth	Length	Net Weight
850115	SL1	3/8"	8"	1 lb.

## Single Crimpers

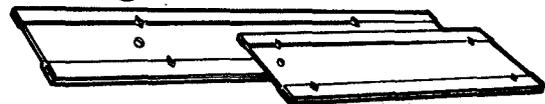

SC1  
 Single Crimper

Fast, easy to use and lightweight. Handy lock makes tool pocket sized for on-the-job use. Zinc plated steel. Red grips.

SKU Number	Catalog Number	Throat Depth	Length	Net Weight
850095	SC1	1-1/4"	8"	1/2 lb.

## Folding Tools

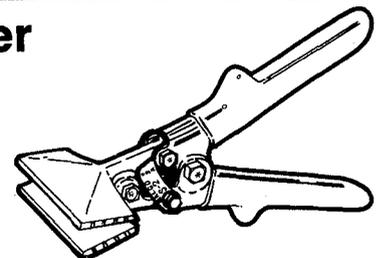

Sturdy tools fold 24 to 30 gauge mild steel. Tools have folding seams for both 3/8" and 1/2" folds. Two sight holes along each folding seam aid in aligning the tool and assuring an accurate bend. Available in 8" and 12" folding lengths. Stores flat in bottom of tool box. Handy hang-up hole. Steel seam halves are securely fastened together with permanent welds. Gray metallic baked enamel finish.

SKU Number	Catalog Number	Capacity	Folding Depth	Length	Net Weight
850125	8	24-30 ga.	3/8", 1/2"	8"	14 oz.
850130	12	24-30 ga.	3/8", 1/2"	12"	1 lb. 4 oz.

## Hand Seamer

S2  
 Hand Seamer

Bends and flattens metal easily. Makes permanent, tight fitting seams. Precise vee-notched depth graduations on jaws are in 1/4" increments. Jaws are drop forged, high impact steel. Hardened steel handles resist abuse. Powerful compound leverage design. Black vinyl cushion grips with handle stops offer added comfort and ease of operation. All steel parts and hardware are nickel plated.

SKU Number	Catalog Number	Jaw Depth	Capacity Width	Overall Length	Net Weight
850105	S2	1/4" to 1 1/4"	3 1/2"	8"	1 lb. 8 oz.
